Course:

Marrabel is a small town in the Gilbert Valley surrounded by an abundance of dry weather tracks, rolling hills and undulating farm land. The rodeo grounds provide an exceptional venue with plenty of space for camping.

The 10 and 20 km rides traverse dirt roads with some undulation.

The 40 km ride will be the first leg of the 80km ride.

The 80 km ride comprises 2 legs. Leg 1 (40 km) works east along gravel roads before picking up dry weather only clay roads. Then merging into farm tracks as the ride crosses over the Tothill Range, heads north and back west over the range. Return to base is on mostly dry weather only roads.

The second leg is made up of mostly dry weather only roads with a couple sections of harder road. This leg will cross the Light Range and is otherwise low to moderately undulating.

Venue: Marrabel Rodeo Grounds. Marrabel Road, Marrabel. 59km North of Gawler. Rodeo grounds entry is approximately 0.3km north of the town.

Catering: Catering will be available for dinner Friday night and Breakfast and lunch on Saturday.

Water: There will be ample water on site

Manure: Manure and hay needs to be removed. Please bring adequate bags.

Services: Kapunda is the last town you are likely to travel through with any services prior to Marrabel. There is no fuel or shops in Marrabel but there is a pub.

Nominations: All rides must nominate by Monday 10 April, online nominations to be made via www.nominate.com.au, alternative postal nominations available (details on SAERA website). \$10 late fee applies to no compliant entries.

All horses must have a 3 day temperature log and horse health

declaration: completed, signed and available to present upon entry to the grounds. Forms are available on SAERA website www.saeraonline.com.

No forms no entry.

*** Ride times and course may be subject to change pending weather conditions. Please keep an eye on the SAERA website for more details or any changes.*
